

# Investor Relations Policy

Kongsberg Maritime ASA shall provide the equity market with relevant, comprehensive information as the basis for a balanced, correct valuation of the share.

The Company emphasises maintaining an open dialogue with the equity market and media through stock exchange disclosures, press releases and other media initiatives, as well as through presentations for analysts and investors.

The Company's website has a separate section featuring investor information, including annual reports, quarterly reports and company presentations. Kongsberg Maritime ASA's quarterly presentations are made available by webcast.

Kongsberg Maritime ASA regularly organises presentations and meets with owners and investors both in Norway and abroad. Kongsberg Maritime aspires to be accessible to all market players. Annually, Kongsberg Maritime ASA hosts a Capital Markets Day where members of the executive management team give presentations and meet with investors, analysts, banks and media.

Kongsberg Maritime ASA complies with the Oslo Børs Code of Practice for IR of 1 March 2021.
